

REMARKS

Applicant graciously acknowledges the allowance of claims 15-17 and 27-30.

The specification is objected to because in the brief description of the drawings, FIG. 7 is described rather than FIGS. 7A-C. The specification has been amended to contain a brief description of FIGS. 7A-C. Therefore, withdrawal of this objection is respectfully requested.

In view of the above amendment, applicant believes the pending application is in condition for allowance.
